

French Olympiad

Details of French Olympiad National Level Examination (NLE) 2017

French Olympiad National Level Examination (NLE) format:

NLE will be conducted online through Internet based web portal in MCQ format (www.educationbeyond.net).

- A special portal for the French Olympiad NLE will be available for the candidates.
- A specific user ID and password will be provided for each participant.
- List of students enrolled with user ID and password will be sent to the school.

Practice material:

Practice books will be provided to students by E&B.

- Each book will have two sections: a) French Language b) Culture
- 3 practice papers for students to practice online at home.
- 1 pre-national exam practice paper to be held at the school computer lab under exam conditions.

Question papers:

- MCQ format question papers (4 options for each answer).
- 50 questions of 1 mark each.
- Questions will be based on French language and French culture.
- Negative marking: -0.5 mark for every wrong answer during the final examination.

Final examination:

The NLE will be conducted in respective school computer labs under the supervision of the school teachers.

- Students have to login on the web portal for French Olympiad examination during the 10 minutes before the starting time of the examination.
- Students have to log on directly online with their individual user ID and password.
- Once the exam time starts, the computer screen will be locked for a period of 1 hour (60 minutes).
- Once an answer is selected, it cannot be changed.

Requirement from the participant schools:

- The schools have to send to E&B a scan of the attendance sheet duly signed by the candidate and the teacher after the end of the exam on the day of the exam itself.
- The schools have to provide each candidate a computer with Internet connection during the pre-exam and the final examination.
- The schools have to ensure that on the day of the NLE, the Internet and Electricity power supply is duly maintained.
